President, Local Organizing Committee, 10th International Congress on Hormonal Steroids, Québec City (June 1998)

President, Local Organizing Committee, 14th International Symposium of the Journal of Steroid Biochemistry and Molecular Biology, Quebec (June 2000).

President, 13th International Congress on Hormonal Steroids and Hormones & Cancer, Quebec City (September 2008)

B- Organized outside Québec City

Member, Program Committee, Endocrine Society (1977-1978)

Member, Program Committee, Society for the Study of Reproduction (1977-1978)

Member, Program Committee, Canadian Society for Endocrinology and Metabolism (1977-1980)

Chairman, Committee for the 1984 International Congress of Endocrinology, Canadian Society of Endocrinology and Metabolism (1977-1984)

Member, Scientific Committee, International Symposium on Prostaglandins and Reproductive Physiology, Montpellier (1979)

Member, Program Committee, 7th International Congress of Endocrinology (1980-1984)

Member, Organizing Committee, III International Symposium on Prolactin, Athens (1981)

Member, Scientific Committee, 5th Annual Meeting, Canadian College of Neuropsychopharmacology (1981-1982)

Member, Program Committee, VIth International Congress on Hormonal Steroids, Jerusalem (1982)

Member, Scientific Committee, Symposium on Integrative Neurohumoral Mechanisms, Budapest (1982)

President, Program Committee, Canadian Society for Clinical Investigation (1982)

Member, Scientific Committee, International Meeting on Recent Progress in Opioid Research, Florence (1983)

Member, Program Committee, Academy of Sciences, Royal Society of Canada (1983-1984)

International Advisory Board, International Symposium on Peptides and Ion Transport: Actions and Interactions, Florence (April 1985)

Member, Scientific Committee, 1st International Congress of Neuroendocrinology (1985-86)

Member, International Organizing Committee, Fourth International Symposium on Catecholamines and other Neurotransmitters in Stress, Smolenice Castle, Bratislava (1987)

Member, International Scientific Committee, First Congress of the International Society of Gynecological Endocrinology (1987-1988)

Director with H.L. Bradlow, S. D'Aquino, L. Castagnetta and Member of Scientific Committee, 1st International Symposium on Steroid Formation, Degradation and Action in Peripheral Tissues, Taormina (March 1989)

Member, Scientific Committee, 18e Réunion des endocrinologues de langue française, Dakar (April 1989)

President of the jury, Deuxième journée québécoise de la recherche en médecine familiale, Québec City (April 1989)

Member, Program Committee, 2nd International Congress of Neuroendocrinology, Bordeaux (June 24-30, 1990)

Member, Advisory Committee, 3rd International Symposium on Contraception, Heidelberg (June 1990)

Member, Program Committee, VIII International Congress on Hormonal Steroids, The Hague (September 1990)

Member, Scientific Committee, 2nd International Symposium on GnRH Analogues in Cancer and Human Reproduction, Geneva (November 1990)

Member, Scientific Committee, 1st International Symposium on the Management of Benign Breast Disease and Chemoprevention of Breast Cancer, Genoa (December 1990)

Member, International Scientific Committee, 3rd International Symposium on GnRH Analogues in Cancer and Human Reproduction, Geneva (February 1993)

Member, Program Committee, CFBS Meeting, Windsor (June 1993)

Member, Program Committee, Meeting of the Canadian Society of Biochemistry and Molecular Biology (1993-1994)

Chairman, Workshop on the Application of Molecular Biology to Cancer Control - Prostate/Bladder Cancer", Montreal (May 1994)

Member, Organizing Committee, 19e Réunion des Endocrinologues de langue française, Montreal (September 1994)

Member, Scientific Program Committee, 19th International Congress on Chemotherapy, Montreal (July 1995)

Member, Scientific Committee, International Congress on Treatment with GnRH analogs: issues and perspectives, Bologna (September 1995)

Member, Organizing Committee, 5th International Conference on Anticancer Research, Corfu, Greece (October 1995)

Co-Organizer (with Dr Michael Koutsilieris), International Symposium on Prostate Cancer: Basic and Clinical Aspects, Corfu, Greece (October 1995)

Member, International Scientific Committee, 4th International Symposium on GnRH in Cancer and Human Reproduction, Geneva (February 1996)

Co-Director, Advanced Course: Treatment of Prostate Cancer, European School of Oncology, Nice (November 1996)

Member, Scientific Committee and International Advisory Board, Seventh International Congress on Anticancer Treatments, Paris (February 1997)

Member, Executive Committee, Second International Conference on Neoadjuvant Hormonal Therapy for Prostate Cancer, Boston (March 1997)

Member, International Scientific Committee, 13th International Symposium of the Journal of Steroid Biochemistry and Molecular Biology, "Recent Advances in Steroid Biochemistry & Molecular Biology", Monaco (May 1997)

Member, International Organizing Committee, 11th International Congress on Hormonal Steroids (1998-)

Member, National Advisory Committee, VI World Congress on Endometriosis, Québec City (July 1998)

Member, Scientific Committee, Vth International Symposium on GnRH Analogues in Cancer and Human Reproduction, Geneva (February 1999)

Member, Scientific Committee and International Advisory Board, 9th International Congress on Anticancer Treatment, Paris (February 1999)

Member, International Advisory Board, 9th International Congress on Anticancer Treatment, Paris (February 1999)

Member, Scientific Committee, Xth World Congress on Human Reproduction, Salvador, Bahia, Brazil (May 1999)

Member, International Organizing Committee, 6th International Congress on Hormones and Cancer, Jerusalem (September 1999)

Member, Scientific Organizing Committee, 14th International Symposium of the Journal of Biochemistry and Molecular Biology, "Recent Advances in Steroid Biochemistry and Molecular Biology", Finland (1999)

Member, Scientific Committee and International Advisory Board, 10th International Congress on Anticancer Treatment, Paris (February 2000)

Member, Program Committee, XIX Meeting of the International Study Group for Steroid Hormones, Montreal (June 2000)

Co-Chairman, XIX Meeting of the International Study Group for Steroid Hormones, Montreal, (June 2000)

Member, International Advisory Committee, Second International Symposium on Signal Transduction in Health and Disease (STADY II), Tel Aviv (September 2000)

Member, International Scientific Committee, 6th International Symposium on GnRH Analogues in Cancer and Human Reproduction, Geneva (February 2001)

Member, International Organizing Committee (IOC) and Program Organizing Committee, 11th International Congress on Hormonal Steroids and Hormones and Cancer, Fukuoka City, Japan (October 2002)

Vice-President, International Congress on Hormonal Steroids/Hormones and Cancer (2002-2005)

Member, Scientific Committee, Workshop on « Early Reproductive Events and Breast Cancer », National Cancer Institute, Bethesda (February 2003)

Member, Scientific Committee, 46^e Journées internationales d'Endocrinologie clinique – Société française d'endocrinologie – Symposium Endocrinologie de la ménopause et de l'andropause", Paris (avril 2003)

Member, Organizing & Scientific Committee, 16th International Symposium of the Journal of Steroid Biochemistry and Molecular Biology, "Recent Advances in Steroid Biochemistry and Molecular Biology", Seefeld, Tyrol, Austria (June 2004)

Member, Scientific Committee, Sex Steroids: An Update on Estrogen and Progesterone Actions – Role in Cancer, Ageing and Reproductive Medicine", Montpellier (2004)

President-Elect, International Congress on Hormonal Steroids/Hormones and Cancer (2003-2008)

Member, Organizing Committee, 8th International Symposium on GnRH Analogues in Cancer and Human Reproduction, Salzboung (February 2005)

Member, Organizing Committee, 17th International Symposium of the Journal of Steroid Biochemistry and Molecular Biology, Seefeld, Tyrol, Austria, (June 2006)

Vice-chairman, Organizing Committee and member, Scientific Committee, 12th International Congress on Hormonal Steroids and Hormones and Cancer. Athens, Greece, (September 2006)

Faculty member, 2008 Atlantic Dermatological conference, Quebec City, Canada, April 2008

President, 13th International Congress on Hormonal Steroids and Hormones and Cancer. Quebec, Canada, September 2008

Member of International Scientific Committee, World Symposium of Gynecological Endocrinology, Bahia, Brazil, March 2009

Member, Organizing Committee, 1st International Symposium on Hormone, Molecular Biology and Clinical Investigation, Seefeld, Austria, September 2010

Chairman of the Organizing Committees of 11 Congresses held in Québec City, including the 7th International Congress of Endocrinology in 1984 (6500 participants) and member of Scientific or Program Committees of 61 congresses held worldwide.

President, 14th and 15th International Congresses on Hormonal Steroids and Cancer.

OTHER ACADEMIC AND PROFESSIONAL FUNCTIONS

Delegate of the Faculty of Medicine of Laval University for the Canadian Association of Medical Students (CAMSI) (1958-1961)

Secretary-General, International Federation of Medical Student Associations (IFMSA) (1961-1963)

President of the Graduates of the Faculty of Medicine of Laval University (1962-)

Vice-President, Graduate Students of Laval University (1965-1966)

Coordinator, Research program for Summer Students at Laval University (1965-1967)

Member, Studentship Committee of the Medical Research Council of Canada (1969-1972)

October 7, 2011

Member, Committee of the Medical Student Research Program, Faculty of Medicine, Laval University (1969-1973)
